Introduction

All international students studying in New Zealand are required, by the Code of Practice for the Pastoral Care of International Students, to have medical and travel insurance for the duration of their study. The Studentsafe Inbound Learners policies are designed for this purpose.

Policy Features

The general information on this page does not form part of the Policy Wording but outlines some aspects of the insurance cover and how it is uniquely designed to protect international students.

Studentsafe Inbound Learners

Non-New Zealand residents, who temporarily reside and study in New Zealand, and will be attending an adult tertiary or Educational Institution, are eligible for the Studentsafe Inbound Learners policy.

This policy offers the following features:

- Cover for medical and repatriation expenses
- Cover for the student's travel to and from New Zealand
- Luggage and Personal Effects
- Money
- Emergency assistance provided 24 hours/7 days a week
- Optical expenses
- Deprivation of luggage
- Kidnap and Ransom
- Selected cover for Epidemic and Pandemic Diseases

Policy extensions available:

- Increased cover for specified high value items
- Cover for Pre-existing Medical Conditions

The benefits set out above are a summary only of some of the cover available under this policy. Terms, conditions, limits, sublimits and exclusions apply. To fully understand this policy, You must read the Policy Wording.

Arranging Additional Cover for Family

You can also apply for cover for your spouse and any financially dependent children 18 years of age and under who are travelling with you to New Zealand for the duration of your study. To apply for cover, you must complete a Family Member Application Form. Please ensure that you read the Policy Wording in full before applying to ensure it will meet your needs.

General exclusion for Pre-existing Medical Conditions

Allianz Partners will not pay under any section of the policy for any claim arising directly or indirectly from your Pre-existing Medical Condition unless:

- a) the condition has been declared and accepted by us in writing as an insured Pre-existing Medical Condition; or
- b) the condition was first diagnosed and coverage was provided under your continuous policy; or
- c) cover is provided under Section 1(7) Mental Illness in New Zealand.

There is also no cover for your Relative's Pre-existing Medical Condition or anyone on whose health your travel depends. Refer to the full Policy Wording for details, including the definition of Relative.

Pre-Existing Medical Condition

This means any medical or physical conditions or circumstances:

- a) which you are aware of, or ought to have been aware of; or
- b) for which advice, care, treatment, medication or medical attention has been sought, given or recommended; or
- c) which have been diagnosed as a medical condition, or a sickness or which are indicative of a sickness; or
- d) which are of such a nature to require, or which potentially may require medical attention; or
- e) which are of such a nature as would have caused a prudent, reasonable person to seek medical attention prior to the start date of cover under this policy.

Arranging Cover for Pre-existing Medical Conditions

Pre-existing Medical Conditions are not automatically covered under the policy, however you and your family can apply for cover for these conditions.

If you require cover for your Pre-existing Medical Condition(s), you must complete a Medical Risk Assessment Form, and send it to assess@medicalhotline.co.nz within 28 days of your arrival in New Zealand. If Allianz Partners do not receive your Medical Risk Assessment Form within 28 days of your arrival in New Zealand, they will be unable to process your medical assessment and your Pre-existing Medical Condition(s) will remain excluded. On review of your Medical Risk Assessment Form, Allianz Partners will confirm whether cover for the condition is approved. If they confirm cover, an additional premium may be payable.

Selected Cover for Epidemic and Pandemic Diseases

The Studentsafe Inbound Learners policy has introduced selected cover for epidemic and pandemic diseases including Covid-19.

The cover offers the provision to claim for cancellation and medical expenses should you contract an epidemic or pandemic disease such as Covid-19 after purchasing your policy. If you contract an epidemic or pandemic disease after purchasing your policy and can no longer travel, you will have the provision to claim for the cost of flights and hotel accommodation. You will also have cover for medical claims directly related to an epidemic or pandemic disease which will apply after you commence your journey if you contract the epidemic or pandemic disease.

Additional Insurance Cover

If, during your time in New Zealand, you are planning to travel to countries not covered by your Studentsafe Inbound Learners policy, other options are available at www.insurancesafenz.com.

A discount of 15% applies to insured students. The 15% discount applies to our standard pricing and any additional premium for pre-existing medical cover but does not apply to any additional premium for specified items. Use the promo code **LEAVIP15** to receive your discount.
