## Introduction

All international students in New Zealand are required to have appropriate medical and travel insurance whilst studying in New Zealand. New Zealand universities have worked together to create a group insurance plan to cover international students' medical and travel requirements and the Studentsafe Inbound University Policy, is designed to meet this need.

## Your Cover

International students enrolled at University are automatically covered by the Studentsafe Inbound University Policy Wording during their study. If you are a full year student, you will pay an annual premium and if you are a part year student, you will pay a proportion of the annual premium. The premium is paid to your University and it may change from year to year.

If you are an enrolled student travelling to New Zealand for the first time to commence your studies, cover commences 31 days before your course start date. You will receive your Record of Cover via email, however, if you need to make a claim before the Record of Cover arrives, you can use your student ID number as the claim reference.

## Policy Benefits\*

The Studentsafe Inbound University policy includes:

- Medical and healthcare cover
- Emergency dental treatment and replacement of glasses due to a change in vision
- Travel and transit cover between your Country of Origin and New Zealand
- Emergency Assistance in New Zealand as well as when travelling outside of New Zealand
- Limited cover available if you are a returning student who is returning to your Country of Origin on a temporary basis during the period of insurance or between semesters
- Sexual health cover for consultation and tests
- Selected cover for Epidemic and Pandemic Diseases

\* The benefits set out above are a summary only of some of the cover available under this policy. Terms, conditions, limits, sub-limits and exclusions apply. To fully understand this policy, you must read the Policy Wording.

## Arranging Additional Cover for Family

You can also apply for cover for your spouse and any financially dependent children 18 years of age and under who are travelling with you to New Zealand for the duration of your study. To apply for cover, you must complete a Family Member Application Form. Please ensure that you read the Policy Wording in full before applying to ensure it will meet your family's needs.

## General exclusion for Pre-existing Medical Conditions

Allianz Partners will not pay under any section of the policy for any claim arising directly or indirectly from your Pre-existing Medical Condition unless:

- a) the condition has been declared and accepted by us in writing as an insured Pre-existing Medical Condition; or
- b) the condition was first diagnosed and coverage was provided under your continuous policy; or
- c) cover is provided under Section 1(7) Mental Illness in New Zealand.

There is also no cover for your Relative's Pre-existing Medical Condition or anyone on whose health your travel depends. Refer to the full Policy Wording for details, including the definition of Relative.

## Pre-Existing Medical Condition

This means any medical or physical conditions or circumstances:

- a) which you are aware of, or ought to have been aware of; or
- b) for which advice, care, treatment, medication or medical attention has been sought, given or recommended; or
- c) which have been diagnosed as a medical condition, or a sickness or which are indicative of a sickness; or
- d) which are of such a nature to require, or which potentially may require medical attention; or
- e) which are of such a nature as would have caused a prudent, reasonable person to seek medical attention prior to the start date of cover under this policy.

## Arranging Cover for Pre-existing Medical Conditions

Pre-existing Medical Conditions are not automatically covered under the policy, however you and your family can apply for cover for these conditions.

If you require cover for your Pre-existing Medical Condition(s), you must complete our Medical Risk Assessment Form, and send it to [assess@medicalhotline.co.nz](mailto:assess@medicalhotline.co.nz) within 28 days of your arrival in New Zealand. For students who were not insured under the policy in the preceding semester/term who are already in New Zealand, you must forward us your completed Medical Risk Assessment Form within 28 days of your first enrolment. If we do not receive your Medical Risk Assessment Form within 28 days of your arrival in New Zealand, we will be unable to process your medical assessment and your Pre-existing Medical Condition(s) will remain excluded. On review of your Medical Risk Assessment Form, we will confirm whether cover for the condition is approved. If we confirm cover, an additional premium may be payable.

## Selected Cover for Epidemic and Pandemic Diseases

The Studentsafe Inbound University policy has introduced selected cover for epidemic and pandemic diseases including Covid-19.

The cover offers the provision to claim for cancellation and medical expenses should you contract an epidemic or pandemic disease such as Covid-19 after purchasing your policy. If you contract an epidemic or pandemic disease after purchasing your policy and can no longer travel, you will have the provision to claim for the cost of flights and hotel accommodation. The policy also provides cover for medical claims directly related to an epidemic or pandemic disease which applies after you commence your journey if you contract the epidemic or pandemic disease.
