If approved, an additional premium will be charged for that specified item. Please note a limit of \$10,000 per item and \$20,000 for all specified high value items applies.

Policy Exclusions

The policy contains both General Exclusions and Section Exclusions. An exclusion means that there is no cover for the event, action or situation. General Exclusions apply to every section in the policy. Section Exclusions apply only to specific sections of the policy. For full details of all exclusions please read the policy wording at www.insurancesafenz.com.

Congratulations! You've made a great choice in deciding to explore New Zealand, but even the most carefully planned travel experiences can go unexpectedly wrong. Regardless of how careful you are, it is important to prepare for the unforeseen and organise travel insurance as soon as you have confirmed your holiday booking.

Explorersafe insurance has been developed in association with Marsh, and is issued and managed by AWP Services New Zealand Ltd trading as Allianz Global Assistance (AGA) and underwritten by Allianz Australia Insurance Limited ABN 15 000 122 850 (Incorporated in Australia) trading as Allianz New Zealand.

Visit our website at www.insurancesafenz.com to learn more about this policy. You should read the policy wording for detailed terms, conditions, limits and exclusions.

Allianz Australia Insurance Limited - Financial Strength Rating and Overseas Policyholder Preference Disclosure Notice

Allianz Australia Insurance Limited has an AA- insurer financial strength rating given by Standard & Poor's (Australia) Pty Limited.

The rating scale* in summary form is:

AAA Extremely Strong, BBB Good, CCC Very Weak

AA Very Strong, BB Marginal, CC Extremely Weak

A Strong, B Weak, R Regulatory Action

Plus (+) or minus (-): Ratings from "AA" to "CCC" may be modified by the addition of a plus (+) or minus (-) sign to show relative standings within the major rating categories.

*A full description of the rating scale is available via www.allianz.co.nz/insurer-rating.

An overseas policyholder preference applies. Under Australian law, if Allianz Australia Insurance Limited is wound up, its assets in Australia must be applied to its Australian liabilities before they can be applied to overseas liabilities. To this extent, New Zealand policyholders may not be able to rely on Allianz Australia Insurance Limited's Australian assets to satisfy New Zealand liabilities.

The Explorersafe Inbound policy provides medical and travel insurance cover for travellers and their families exploring New Zealand on holiday.

Policy Eligibility

You are eligible to apply for the Explorersafe Inbound Policy if you are:

- an overseas student or worker who has finished study or work in New Zealand and will remain in New Zealand for a holiday.
- a non-New Zealand resident wanting travel insurance while holidaying in New Zealand.

You can include cover for accompanying dependents and family under this policy. Dependent children under 18 years of age are covered for no additional premium but will share the insured person's policy benefit limits.

You can get a quote and buy your policy online at www.insurancesafenz.com or contact us on our toll free number **0800 486 004** (within NZ).

Period of Insurance

Cover under this policy applies according to the dates on your policy certificate and in accordance with the premium you have paid. We recommend that you store the certificate and your policy wording in a safe place.

Pre-existing Medical Conditions

You are **not** automatically covered for all pre-existing medical conditions.

A pre-existing medical condition is any medical or physical condition or circumstance that:

- (a) you; or
- (b) a family member covered under this plan; or
- (c) a parent or close family member (in your country of origin) not covered under this plan;

may have before your policy is issued, and which may result in a claim being made. This includes conditions or circumstances the individual was aware of, or ought to have been aware of, but did not seek treatment for.

Pre-existing medical conditions are a general exclusion under this insurance plan. For example, if a parent or close relative dies while you are in New Zealand and you are required to travel home, cover will not apply if that person has died of a pre-existing medical condition.

Some pre-existing medical conditions are covered automatically under the Explorersafe Inbound policy. If you have a medical condition that falls outside the automatic acceptance criteria, we may agree to offer cover for (a) you or (b) a family member covered under this plan in certain circumstances. You will need to complete a Medical Risk Assessment form before your policy starts, for us to consider cover. This form is available from our website on www.insurancesafenz.com.

It is very important that you read the policy wording and the definition of a pre-existing medical condition.
