#### Introduction

All international students in New Zealand are required to have appropriate medical and travel insurance whilst studying in New Zealand. New Zealand universities have worked together to create a group insurance plan to cover international students' medical and travel requirements and the Studentsafe Inbound University Policy, is designed to meet this need.

#### Your Cover

International students enrolled at University of Otago are automatically covered by the Studentsafe Inbound University policy wording during their study. If you are a full year student, you will pay an annual premium and if you are a part year student, you will pay a proportion of the annual premium. The premium is paid to University of Otago and it may change from year to year.

If you are an enrolled student travelling to New Zealand for the first time to commence your studies, cover commences 31 days before your course start date. You will receive your Record of Cover via email, however, if you need to make a claim before the Record of Cover arrives, you can use your student ID number as the claim reference.

#### **Benefits**

The Studentsafe Inbound University policy includes:

- Medical and healthcare cover
- Emergency dental treatment and replacement of glasses due to a change in vision
- Travel and transit cover between your country of origin and New Zealand
- Emergency assistance in New Zealand as well as when travelling outside of New Zealand
- Limited cover available if you are a returning student who is returning to your country of origin on a temporary basis during the period of insurance or between semesters
- Sexual health cover for consultation and tests

# **Arranging Additional Cover for Family**

You can also apply for cover for your spouse and any dependent children who are travelling with you to New Zealand for the duration of your study. To apply for cover, you must complete a Family Member Application Form. Please ensure that you read the Policy Wording in full before applying to ensure it will meet your needs.

# **Arranging Cover for Pre-existing Medical Conditions**

Pre-existing medical conditions are not automatically covered under the policy, however you and your family can apply for cover of these conditions.

#### **Pre-Existing Medical Condition**

This means any medical or physical conditions or circumstances:

- a) which you are aware of, or ought to have been aware of; or
- b) for which advice, care, treatment, medication or medical attention has been sought, given or recommended; or
- c) which have been diagnosed as a medical condition, or a sickness or which are indicative of a sickness; or
- d) which are of such a nature to require, or which potentially may require medical attention: or
- e) which are of such a nature as would have caused a prudent, reasonable person to seek medical attention prior to the start date of cover under this policy.

If you require cover for your pre-existing medical condition(s), you must complete a Medical Risk Assessment Form, and send it to help@insurancesafenz.co.nz within 28 days of your arrival in New Zealand. If Allianz Partners do not receive your Medical Risk Assessment Form within 28 days of your arrival in New Zealand, they will be unable to process your medical assessment and your pre-existing medical condition(s) will remain excluded. On review of your Medical Risk Assessment Form, Allianz Partners will confirm whether cover for the condition is approved. If they confirm cover, an additional premium may be payable.

# **General exclusion under Pre-existing Medical Conditions**

Allianz Partners will not pay under any section of the policy for any claim arising directly or indirectly from a relative's pre-existing medical condition or anyone on whose health your travel depends. A Relative means your spouse, parent or step-parent or guardian, parent-in-law, grandparent, daughter, son, daughter or son-in-law, brother or sister, brother-in-law or sister-in-law.
