Congratulations! You've made the decision to study in New Zealand. Studying and setting up a home in New Zealand is an exciting adventure. However like all travel, this comes with some level of risk and for this reason, New Zealand Universities have worked together to create a group insurance plan to cover our international students’ medical and travel requirements.

All international students in New Zealand are required by the ‘Code of Practice for the Pastoral Care of International Students’ to have compliant insurance while studying. Studentsafe insurance is compliant under the Code.

Studentsafe insurance has been developed in association with Marsh, and is issued and managed by AWNP Services New Zealand Ltd trading as Allianz Global Assistance (AGA) and underwritten by Allianz Australia Insurance Limited ABN 15 000 122 850 (Incorporated in Australia) trading as Allianz New Zealand.

Visit our website at www.insurancesafenz.com to learn more about your policy. You should read the policy wording for full terms, conditions, limits and exclusions.

Arranging Cover

If you plan to study at the Massey University and are under the age of 60, you are automatically eligible for cover under the Studentsafe Inbound University policy for your study course. If you are 60 years of age or older, you will first need to complete a Medical Risk Assessment form before cover is confirmed.

If you wish to insure family members under the plan, a Family Application form needs to be completed. If any of those family members are over 60 years of age, then they must also complete a Medical Risk Assessment form.

The Medical Risk Assessment and Family Application forms are available from your International Student Office or you can contact us at help@insurancesafenz.co.nz or go to our website www.insurancesafenz.com

Payment

In order to be covered under the plan you and your family members need to pay a premium. Full year students pay an annual premium and part year students pay a proportion of the annual premium. The premium is payable through the Massey University and may change from year to year.

Record of Cover

Your registration at the University together with payment of the premium is evidence of cover under the plan. Your student number is also your insurance number. A record of your insurance cover is held by the University, AGA and Marsh. Once the University sends your enrolment details to AGA, a record of cover will be sent to your email address.

Pre-existing Medical Conditions

You are not automatically covered for pre-existing medical conditions.

A pre-existing medical condition is any medical or physical condition or circumstance that:

(a) you or
(b) a family member covered under this plan; or
(c) a parent or close family member (in your country of origin) not covered under this plan.

may have before you enrol in the plan, and which may result in a claim being made. This includes conditions or circumstances the individual was aware of, or ought to have been aware of, but did not seek treatment for.

Pre-existing medical conditions are a general exclusion under this insurance plan.

For example, if a parent or close relative dies while you are in New Zealand and you are required to travel home, cover will not apply if that person has died of a pre-existing medical condition.

However, we may agree to offer cover for (a) or (b) a family member covered under this plan in certain circumstances. You will need to complete a Medical Risk Assessment form before you start your studies, for us to consider cover. This form is available from your International Student Office or by visiting the Studentsafe Inbound University page on www.insurancesafenz.com

It is very important that you read the policy wording and the definition of a pre-existing medical condition.

The period of cover

Cover under this plan applies while you are enrolled at the Massey University.

Commencement of cover

For students studying at New Zealand cover starts 31 days before the commencement date of your course. For students already resident in New Zealand, the period of insurance starts on the later of 16 days before you start your course of study or on the day your existing compliant insurance expires.

End of Cover

Full year degree and returning students

The earlier of your arrival in your country of origin or 150 days after the completion of your course or to the expiry date of your current Student Visa, providing you have paid the appropriate premium in your final year.

One year students or part year students

At the expiry of your current Student Visa, providing you have paid the appropriate premium.

Additional Insurance Cover

If cover is required that is outside of our policy wording limits, for instance because you are planning to study abroad, travel for a holiday to countries not covered or you require additional insurance, you will need to purchase this additional insurance by visiting www.insurancesafenz.com. A discount 15% applies to students already insured with this policy. The 15% discount applies to our standard pricing and any additional premium for Pre-existing medical cover but does not apply to any additional premium for specified items. Use the promo code UNIVIP17 to receive your discount.

Cessing Your Studies

If you withdraw from your studies before the course end date and remain in New Zealand, cover under the plan will continue until the expiry of your current Student Visa, provided the required premium has been paid to the University. If you withdraw from your studies before the course end date and leave New Zealand, then cover under the plan will cease as soon as you leave New Zealand.

If you obtain an alternative visa and plan to remain in NZ, or you plan to leave NZ and travel, then you can purchase additional insurance cover.
